

## SHAC Meeting # 4 - April 26, 2023

4:07PM: President Sherwin Amacher called the meeting to order

Minutes were approved as presented.

Cindy Mann went over the Wellness Program and reported that the USDA allocated a \$25,000 grant for FFVP (Fresh Fruits and Vegetable Program) for Marshall students to try new foods. She explained in detail how the program was administered.

Concerns expressed on Membership were maybe the time of the meeting is why more can't make it to the meetings, we need more member variation such as a counselor, teacher, coach, clergy, etc. and maybe use social media to reach possible members. Vice President and Secretary were not voted on due to lack of attendance.

The membership application will be corrected as it has Mrs. Sally McCutchan's name on it.

Mrs. McCutchan reminded the committee that we have to submit an annual report to the board for the May meeting. She will do the report.

No further questions or concerns were addressed.

4:30PM Meeting was adjourned
